Today's Announcements

- Happy Birthday to Alyia Moore, Josephine Lyttle, Kira Daniel today!

New Announcements

- SENIORS: The University of Southern Indiana (USI) is offering a free application week next week, September 21-28. If you are interested in applying to this university take advantage of this opportunity!

Previous Announcements

- Students - many of you still have library books checked out from the spring. As of now, you will not have any fines! Please put them in the tubs at your building, or give them to your teacher. Also, be sure to remember you can order books through library loan, or you can visit the public library to check out materials.
- **Freshmen!!! Physical Examinations** are due by **October 15th**. This is a State law. Exclusion letters will be mailed out next week to those who have not turned their physicals in.
Seniors!!! Meningitis Vaccines are due by **October 15th**.
This is a State law. Exclusion letters will be mailed out next week to those who have not turned their proof of MCV4 in.
The IDPH issued a reminder of the importance of Immunizations and School Physicals just before school began. It is important now as much as ever for our children to be as healthy as they can be. The link below provides the article to read.
