Today's Announcements

- Happy birthday to Abigail Atwood, Jaden Kilgore, Mr. Steber and Mrs. Ginder today!

New Announcements

- Senior Pictures: Seniors will be wearing the suit or drape provided. Guys, please wear a white t-shirt. Girls, you will need to wear a thin-strapped tank. ALL Seniors MUST get their picture taken per administration!
- Parents, Students, and Staff:
 - Please remember that as excited as the School Nurse is about in person school 5 days a week, we MUST remember to take the Wellness Screenings every school day and stay home if we are not well to avoid getting each other sick or quarantined.
 - Answer the questions honestly and if you fail the Wellness Screening then Skyward will advise you to stay home. If you have a history of migraines or sinus allergies, then treat aggressively for the day but if there are no improvement in your symptoms the next day and you fail the Wellness Screening a 2nd day without improvement of symptoms then a Dr visit or Covid testing may be advised.
 - We all have some mild headaches and mild stomach aches so that is why the Wellness Screening says "symptoms in a way not normal to you."
 - Parents MUST call in even if the student failed the Wellness Screening. IT IS A SAFETY ISSUE. It is considered an unexcused absence if the parent does not call the student in for the day. If the student fails the Wellness Screening a 2nd day then again we need to have the parent call in and talk to either the School Nurse or to the Attendance Secretary or one of the Secretaries about your child's symptoms.
 - It is great to finally be back to a somewhat normal routine and for us all to be together but let's protect each other as we do this!
